

RESPONSIBLE TEXTILES

Certifications behind our fabric & garments

From how the cotton is grown to how the people who make our garments are treated - the standards we carry and the ones we're actively pursuing.

BCI

BETTER COTTON

Better Cotton Initiative

ACCOUNT 1018216-1 | ACTIVE

The world's largest cotton sustainability program - training farmers to grow cotton with less water, fewer pesticides, and better livelihoods.

- > Reduced water & pesticide use at farm level
- > Decent work & fair income for farming communities
- > Mass-balance traceability from field to fabric

● CERTIFIED

GOTS

GLOBAL ORGANIC TEXTILE STANDARD

GOTS

The leading worldwide standard for organic fibers, covering both ecological and social criteria across the entire textile supply chain.

- > Certified organic fiber content thresholds
- > Banned toxic dyes, bleaches & finishing inputs
- > Audited social criteria at every processing stage

● IN PROGRESS

FAIR TRADE

FAIR TRADE

Fair Trade Certified

Certification that ensures safe conditions, fair pay, and community premiums for the people who make our fabric and garments.

- > Safe, fair working conditions for workers
- > A community development premium on certified orders
- > Independent, transparent factory auditing
